

TADWA's Blueprint Training Series

Basic Grab Rail Prescription: An OT Perspective

Webinar, Thursday 15 February 2024
7:30am - 8:30am

Join us online for the first module in our series of home modifications training to learn about measuring and prescribing "off the shelf" grab rails.

During this session we will explore when to prescribe a grab rail, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at new graduate OTs and third to fourth year OT students. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the webinar will be available after the session.
