

# **TADWA's Blueprint Training Series**

## **Complex Ramp Prescription: An OT Perspective**

**Webinar, Thursday 15 August 2024**  
**7:30am - 8:30am**

Join us online for the next module in our series of home modifications training to learn about measuring and prescribing complex ramps.

During this session we will explore when to prescribe complex ramps, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at Occupational Therapists looking to build on their skills in home modifications. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the webinar will be available after the session.
