

TADWA's Blueprint Training Series

Basic Ramp Prescription: An OT Perspective

**3 Parade Rd Bunbury, Thursday 19 July 2024
7:30am - 8:30am**

Join us in the Bunbury for the third next in-person module in our series of home modifications training to learn about measuring and prescribing basic ramps.

During this session we will explore when to prescribe a basic ramp, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at Occupational Therapists looking to build on their skills in home modifications. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the training will be available after the session.

\$70 pp
