

TADWA's Blueprint Training Series

Custom Handrail Prescription: An OT Perspective

**3 Parade Rd Bunbury, Friday 24 May 2024
7:30am - 8:30am**

Join us in the Bunbury for the next in-person module in our series of home modifications training to learn about measuring and prescribing custom handrails.

During this session we will explore when to prescribe a custom handrail, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at Occupational Therapists looking to build on their skills in home modifications. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the training will be available after the session.
