

TADWA's Blueprint Training Series

Bathroom Modifications: An OT Perspective

**3 Parade Rd Bunbury, Friday 15 November 2024
7:30am - 8:30am**

Join us in the Bunbury for the last in-person module in our series of home modifications training to learn about prescribing home modifications such as hob reductions/ removals and level access showers.

During this session we will explore when to prescribe bathroom modifications, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at Occupational Therapists looking to build on their skills in home modifications. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the training will be available after the session.
