

TADWA's Blueprint Training Series

Ramps for Accessibility: An OT Perspective

**3 Parade Rd Bunbury, Friday 9 August 2024
7:30am - 8:30am**

Join us in the Bunbury for the third next in-person module in our series of home modifications training to learn about measuring and prescribing ramps for accessibility.

During this session we will explore when to prescribe an accessible ramp, what information you need to consider, and how to measure to get the best outcomes for your client.

Aimed at Occupational Therapists looking to build on their skills in home modifications. Enhance your skills, improve your confidence and start your journey to becoming an expert in home modifications prescription!

A Certificate of Completion will be provided for CPD recognition and a recording of the training will be available after the session.
